

CASEM Pediatric Sport Medicine Conference

Keeping Kids Active

Preliminary Program

Friday, 15 May 2020
McMaster Innovation Park
Hamilton, Ontario

ORGANIZING COMMITTEE

Laura Purcell, MD, FRCPC, Dip Sport Med. (Course Chair)

Devin Peterson, MD, FRCSC, Dip Sport Med.

Femi Ayeni, MD, FRCSC, Dip Sport Med.

Eric Koelink, MD, FRCPC, Dip Sport Med.

Jess Gantz, MD, FRCPC

Liane Heale, MD, FRCPC

COURSE OBJECTIVE

Targeted at residents, physicians and allied health professionals, this one day clinical course is designed as an introduction to pediatric sport medicine, and will cover many aspects of caring for youth athletes and active pediatric patients. At the end of the day, participants will:

- Understand the unique aspects of pediatric aged athletes, including factors influencing treatment, return to play and injury prevention.
- Become more familiar and comfortable with recognizing and managing common injuries in the growing athlete
- Improve musculoskeletal physical exam skills

ACCREDITATION

Please contact the National Head Office (Dawn Haworth) for CME credit status

COURSE LOCATION

McMaster Innovation Park

175 Longwood Road S.
