

Masterclass in MSK Care:

↳ Translating Evidence to Real World Experience

By the end of this session, participants will be able to:

- Evaluate how current osteoarthritis treatments translate into optimal patient outcomes
- Apply standardized strategies for effective SportVis (STABHA) use in soft tissue injury
- Assess the utility of a physician-developed educational platform to support the appropriate use of SportVis (STABHA) in clinical practice

Thursday, April 30, 2026 | 12:00pm - 1:15pm

Delta Hotels Grand Okanagan Resort, Skaha Room
